

Healthy Opportunities PILOT:

NETWORK LEAD RESPONSIBILITIES

Healthy Opportunities Network Leads play a critical role in the Pilots by connecting the healthcare and social service sectors.

-  **Establishing, managing and overseeing** a network of Human Services Organizations (HSOs), including assessing HSO performance.
-  **Ensuring an adequate network of HSOs** to meet Medicaid members' needs through the Pilots and ensuring the delivery of high-quality Pilot services.
-  **Distributing capacity-building funding** to HSOs.
-  **Assisting HSOs with invoicing** for Pilot services and routing invoices to a member's PHP for payment.
-  **Providing technical assistance** and conducting quality improvement activities with the HSO network.
-  **Facilitating learning collaboratives** for HSOs, PHPs and care management entities
-  **Collecting and submitting data** to support NCDHHS' evaluation and oversight of the Pilot program.
