

Medicaid now covers more of what it takes to be healthy.

Living a healthy life takes more than just getting care when you're sick. Everyone needs a secure home, healthy food, reliable transportation, and trusted relationships.

NC HOP, also known as the Medicaid Healthy Opportunities Pilot, is here to help. Medicaid members who qualify for the program can get extra support to help pay for:

HOW TO QUALIFY

To participate you must:

- 1. Be enrolled in North Carolina Medicaid Managed Care**
- 2. Live in a qualifying county:**
